

## Ohio Revised Code

### Section 3317.032 Membership record of preschool children with disabilities.

Effective: October 3, 2023

Legislation: House Bill 33

---

Each city, local, exempted village, and cooperative education school district, each educational service center, each county board of developmental disabilities, and each institution operating a special education program pursuant to section 3323.091 of the Revised Code shall, in accordance with procedures adopted by the department of education and workforce, maintain a record of district membership of all preschool children with disabilities who are served by a special education program.
