

## Ohio Revised Code

### Section 3319.076 License required to teach physical education.

Effective: September 17, 2010

Legislation: Senate Bill 210 - 128th General Assembly

---

No school district shall employ any classroom teacher initially hired on or after July 1, 2013, to provide instruction in physical education in any of grades kindergarten through twelve unless the teacher holds a valid license issued pursuant to section 3319.22 of the Revised Code for teaching physical education.
