

## Ohio Revised Code

### Section 3319.0811 Supplemental contracts for courses taught outside normal school day.

Effective: April 4, 2007

Legislation: Senate Bill 311 - 126th General Assembly

---

If the board of education of a school district offers to students of compulsory school age courses for high school credit that are taught at times outside the district's normal school day, the board shall enter into supplemental contracts under section 3319.08 of the Revised Code with the teachers assigned to teach those courses and shall not include such assignment of duties within the teachers' regular employment contracts under that section.
