

## Ohio Revised Code

### Section 3319.263 Alternative resident educator license subject areas.

Effective: September 30, 2025

Legislation: House Bill 96

---

Notwithstanding anything to the contrary in section 3319.26 of the Revised Code or any rule of the state board of education adopted under that section, the state board shall not limit the subject areas for which an individual may receive an alternative resident educator license issued under that section.
