

Ohio Revised Code

Section 3319.301 Board to issue permits to qualified nonlicensed individuals.

Effective: March 2, 2021

Legislation: Senate Bill 89 - 133rd General Assembly

(A) As used in this section:

(1) "Dropout recovery community school" means a community school established under Chapter 3314. of the Revised Code in which a majority of the students are enrolled in a dropout prevention and recovery program that is operated by the school.

(2) "Industry-recognized credential program" means a career-technical course in which a student may earn an industry-recognized credential approved under section 3313.6113 of the Revised Code.

(3) "STEM school" means a science, technology, engineering, and mathematics school established under Chapter 3326. of the Revised Code.

(B) The state board of education shall issue permits to individuals who are not licensed as required by sections 3319.22 to 3319.30 of the Revised Code, but who are otherwise qualified, to teach classes for not more than a total of twelve hours a week, except that an individual teaching in a STEM school or an individual teaching an industry-recognized credential program offered at a dropout recovery community school may teach classes for not more than a total of forty hours a week. The state board, by rule, shall set forth the qualifications, other than licensure under sections 3319.22 to 3319.30 of the Revised Code, to be met by individuals in order to be issued a permit as provided in this section. Such qualifications shall include the possession of a baccalaureate, master's, or doctoral degree in, or significant experience related to, the subject the individual is to teach. For an individual assigned to teach a career-technical class, significant experience related to a subject shall include career-technical experience. Applications for permits pursuant to this section shall be made in accordance with section 3319.29 of the Revised Code. A permit issued under this section shall be renewable.

The state board, by rule, shall authorize the board of education of each school district and each STEM school to engage individuals holding permits issued under this section to teach classes for not

more than the total number of hours a week specified in the permit. The rules shall include provisions with regard to each of the following:

(1) That a board of education or STEM school shall engage a nonlicensed individual to teach pursuant to this section on a volunteer basis, or by entering into a contract with the individual or the individual's employer on such terms and conditions as are agreed to between the board or school and the individual or the individual's employer;

(2) That an employee of the board of education or STEM school who is licensed under sections 3319.22 to 3319.30 of the Revised Code shall directly supervise a nonlicensed individual who is engaged to teach pursuant to this section until the superintendent of the school district or the chief administrative officer of the STEM school is satisfied that the nonlicensed individual has sufficient understanding of, and experience in, effective teaching methods to teach without supervision.

(C) A nonlicensed individual engaged to teach pursuant to this section is a teacher for the purposes of Title XXXIII of the Revised Code except for the purposes of Chapters 3307. and 3317. and sections 3319.07 to 3319.31 of the Revised Code. Such an individual is not an employee of the board of education or STEM school for the purpose of Titles I or XLI or Chapter 3309. of the Revised Code.

(D) Students enrolled in a class taught by a nonlicensed individual pursuant to this section and rules adopted thereunder shall receive the same credit as if the class had been taught by an employee licensed pursuant to sections 3319.22 to 3319.30 of the Revised Code.

(E) No board of education of any school district shall engage any one or more nonlicensed individuals if such employment displaces from employment an existing licensed employee of the district.
