

Ohio Revised Code

Section 3323.18 Program to integrate braille reading and writing into student's curriculum and classroom activities.

Effective: September 29, 2007

Legislation: House Bill 119 - 127th General Assembly

If any special education program provided pursuant to this chapter or Chapter 3325. of the Revised Code serves a student with a visual impairment for whom instruction in braille reading and writing is specified as appropriate pursuant to division (A)(2) of section 3323.011 of the Revised Code, the entity providing the program shall integrate the use of braille reading and writing into the student's entire curriculum and other classroom activities in such a manner that braille reading and writing becomes an effective learning tool for the student.
