

## Ohio Revised Code

### Section 3324.05 Annual report of screening, assessments and identifications.

Effective: June 30, 2011

Legislation: House Bill 153 - 129th General Assembly

---

(A) Each school district shall submit an annual report to the department of education specifying the number of students in each of grades kindergarten through twelve screened, the number assessed, and the number identified as gifted in each category specified in section 3324.03 of the Revised Code.

(B) The department of education shall audit each school district's identification numbers at least once every three years and may select any district at random or upon complaint or suspicion of noncompliance for a further audit to determine compliance with sections 3324.03 to 3324.06 of the Revised Code.

(C) The department shall provide technical assistance to any district found in noncompliance under division (B) of this section. The department may reduce funds received by the district under Chapter 3317. of the Revised Code by any amount if the district continues to be noncompliant.
