

Ohio Revised Code

Section 3328.191 Reports kept in employee personnel file.

Effective: September 29, 2011

Legislation: House Bill 153 - 129th General Assembly

The board of trustees of each college-preparatory boarding school established under this chapter shall require that the reports of any investigation by the board or by the school's operator of an employee who works in the school, regarding whether the employee has committed an act or offense for which the chief administrator of the school or the president or chairperson of the board is required to make a report to the superintendent of public instruction under section 3328.19 of the Revised Code, be kept in the employee's personnel file. If, after an investigation under division (A) of section 3319.311 of the Revised Code, the superintendent of public instruction determines that the results of that investigation do not warrant initiating action under section 3319.31 of the Revised Code, the board shall require the reports of the investigation to be moved from the employee's personnel file to a separate public file.
