No publisher of a textbook shall file a statement under this section unless the publisher complies with all of the following:

(A) At the same time as filing the statement, the publisher also files:

(2) For textbooks published on or after August 18, 2006, the wholesale price of an electronic file that contains the text of the textbook, and of all instructional materials the publisher offers with the textbook, in the national instructional materials accessibility standard (NIMAS) code for translating the text of the entire textbook into NIMAS-approved formats, including braille, audio, digital text, or large print.

(B) The list wholesale price filed for any specified number of electronic files described in divisions (A)(1) and (2) of this section for the textbook and instructional materials the publisher offers with the textbook does not exceed the list wholesale price for the same number of the printed version of the textbook and materials.

(C) For textbooks published on or after August 18, 2006, the publisher sends one copy of the electronic file described in division (A)(2) of this section for the entire textbook and all instructional materials the publisher offers with the textbook in NIMAS code, at no cost, to the national instructional materials access center.
