

Ohio Revised Code

Section 3333.07 Restrictions on state institutions.

Effective: October 3, 2023

Legislation: House Bill 33

(A) Colleges, universities, and other institutions of higher education which receive state assistance, but are not supported primarily by the state, shall submit to the chancellor of higher education such accounting of the expenditure of state funds at such time and in such form as the chancellor prescribes.

(B) No state institution of higher education shall establish a new branch or academic center without the approval of the chancellor.

(C) No state institution of higher education shall offer a new degree or establish a new degree program without the approval of the chancellor. No degree approval shall be given for a technical education program unless such program is offered by a state assisted university, a university branch, a technical college, or a community college.

(D) Any state college, university, or other state assisted institution of higher education not complying with a recommendation of the chancellor pursuant to division (F) or (G) of section 3333.04 of the Revised Code shall so notify the chancellor in writing within one hundred twenty days after receipt of the recommendation, stating the reasons why it cannot or should not comply.

(E) The officers, trustees, and employees of all institutions of higher education which are state supported or state assisted shall cooperate with the chancellor in supplying information regarding their institutions, and advising and assisting the chancellor on matters of higher education in this state in every way possible when so requested by the chancellor.

(F) Persons associated with the public school systems in this state and the personnel of the department of education and workforce shall provide such data about high school students as are requested by the chancellor to aid in the development of state higher education plans.
