

Ohio Revised Code

Section 3333.23 Scholastic record sent to chancellor - suspension or revocation of scholarship.

Effective: September 29, 2015

Legislation: House Bill 64 - 131st General Assembly

At the end of each term, each Ohio academic scholar shall request the registrar of the school to send a copy of the scholar's scholastic record to the chancellor of higher education. If the scholar's record fails to meet the standards established by the chancellor, further payments shall be suspended until the scholar demonstrates promise of successful progress in the academic program for which the award was made. The chancellor may revoke the scholarship if the scholar does not resume successful academic progress within a reasonable time.
