

Ohio Revised Code

Section 3333.97 Accelerated college and career pathways program Chancellor duties.

Effective: March 20, 2026

Legislation: House Bill 184

(A) As used in this section, "state institution of higher education" and "state university" have the same meanings as in section 3345.011 of the Revised Code.

(B) The chancellor of higher education shall do all of the following:

(1) Determine and provide the criteria for approving accelerated ninety semester credit hour degree programs established under the accelerated college and career pathways program established under section 3345.89 of the Revised Code;

(2) Provide technical assistance to each state university during the development of accelerated ninety semester credit hour degree programs and aligned model college credit plus pathways as required under section 3345.89 of the Revised Code;

(3) Identify how students can count credit earned in high school, a nontraditional training program, another state institution of higher education, or work experiences as part of the ninety semester credit hour degree programs at a state university. Each state university shall accept credit from incoming students that meet the criteria under this division.

(4) Annually publish on the chancellor's web site all of the following:

(a) Each ninety semester credit hour degree program offered by a state university;

(b) The number of students participating in each ninety semester credit hour degree program;

(c) The number of students that complete each ninety semester credit hour degree program;

(d) Any additional information as determined by the chancellor.
