(1) In the 2014-2015 and 2015-2016 academic years, a state university may receive state operating subsidies for academic remedial or developmental courses completed at the main campus for not more than three per cent of the total undergraduate credit hours provided by the university at its main campus.

(2) In the 2016-2017 academic year, a state university may receive state operating subsidies for academic remedial or developmental courses completed at the main campus for not more than fifteen per cent of the first-year students who have graduated from high school within the previous twelve months and who are enrolled in the university at its main campus, as calculated on a full-time-equivalent basis.

(3) In the 2017-2018 academic year, a state university may receive state operating subsidies for academic remedial or developmental courses completed at the main campus for not more than ten per cent of the first-year students who have graduated from high school within the previous twelve months and who are enrolled in the university at its main campus, as calculated on a full-time-equivalent basis.

However, the main campus of a state university shall not receive any state operating subsidies for such courses above the maximum amounts permitted in this division.

(C) Except as otherwise provided in division (B) of this section, beginning with students who commence undergraduate studies in the 2014-2015 academic year, state operating subsidies for academic remedial or developmental courses offered by state institutions of higher education may be paid only to Central state university, Shawnee state university, Youngstown state university, any university branch, any community college, any state community college, or any technical college.

(D) Each state university shall grant credit for academic remedial or developmental courses successfully completed at an institution described in division (C) of this section pursuant to any applicable articulation and transfer agreements the university has entered into in accordance with policies and procedures adopted under section 3333.16, 3333.161, or 3333.162 of the Revised Code.

The presidents also shall establish assessments, if they deem necessary, to determine if a student meets the standards adopted under this division. Each institution is responsible for assessing the needs of its enrolled students in the manner adopted by the presidents. The board of trustees or managing authority of each state institution of higher education shall adopt the remediation-free status standard, and any related assessments, into the institution's policies.

The chancellor shall monitor the standards in mathematics, science, reading, and writing established under division (F) of this section to ensure that the standards adequately demonstrate a student's remediation-free status.
