Effective: October 3, 2023

Legislation: House Bill 33

---

The government of a state community college district is vested in a board of nine trustees who shall be appointed by the governor with the advice and consent of the senate. Within ninety days after a state community college district is created pursuant to section 3358.02 of the Revised Code, the governor shall make initial appointments to the board. Of these appointments three shall be for terms ending two years after the date upon which the district was created, three shall be for terms ending four years after that date, and three shall be for terms ending six years after that date. Thereafter, the successive terms of trustees shall be for six years, each term ending on the same day of the same month of the year as did the term which it succeeds. Each trustee shall hold office from the date of appointment until the end of the term for which the trustee was appointed. Any trustee appointed to fill a vacancy occurring prior to the expiration of the term for which the trustee's predecessor was appointed shall hold office for the remainder of such term. Any trustee shall continue in office subsequent to the expiration date of the trustee's term until the trustee's successor takes office. Where a state community college district succeeds to the operations of a state general and technical college, or a technical college district, the initial board of trustees of the district shall be composed of the members of the board of trustees of the state general and technical college, or a technical college district, to serve for the balance of their existing terms, and such additional number appointed by the governor, with the advice and consent of the senate, as will total nine members; and the terms of such members appointed by the governor originally and to all succeeding terms shall be such that, in combination with the original remaining terms of the members from the technical college district, the eventual result will be that three terms will expire every second year. Appointees shall be qualified electors of the state. The trustees shall receive no compensation for their services, but may be paid for their reasonably necessary expenses while engaged in the discharge of their official duties. A majority of the sitting members of the board at the time of a meeting constitutes a quorum.
