Effective: September 30, 2025

Legislation: House Bill 96

In any two or more contiguous counties in which there has been created a regional library district, there shall be a board of library trustees consisting of seven members. Such trustees shall be qualified electors of the district. The first appointments to such board of library trustees shall be made by the boards of county commissioners of such counties in joint meeting. Thereafter each appointment to fill an expiring term shall be made by the board of county commissioners of a participating county in the rotating order represented by the alphabetical arrangement of the names of the counties. The term of office of said trustees, if appointed prior to the effective date of this amendment, shall be seven years, or, if appointed on or after that date, shall be four years, except that at the first appointment the terms must be such that one member retires each year. Any appointment made to fill a vacancy shall be made by the same body which appointed the trustee whose place has become vacant and shall be for the remainder of the unexpired term. The members of such board of library trustees shall serve without compensation but shall be reimbursed for their actual and necessary expenses incurred in the performance of their duties. Such board of library trustees shall organize in accordance with section 3375.32 of the Revised Code. Such board of library trustees shall have the control and management of the regional district free public library and in exercise of such control and management shall be governed by sections 3375.33 to 3375.41 and section 3375.19 of the Revised Code.
