

Ohio Revised Code

Section 3503.03 Residence for soldiers in national home for such soldiers.

Effective: August 22, 1995

Legislation: House Bill 99 - 121st General Assembly

Infirm or disabled soldiers who are inmates of a national home for such soldiers, who are citizens of the United States and have resided in this state thirty days immediately preceding any election, and who are otherwise qualified as to age and residence within the county and township shall have their lawful residence in the county and township in which such home is located.
