

Ohio Revised Code

Section 3701.031 federal grants for monitoring, studying and preventing pregnancy losses.

Effective: March 20, 2025

Legislation: Senate Bill 196 - 135th General Assembly

(A) The director of health shall accept and administer grants received from the federal government or other sources, public or private, that are made available for use in monitoring, studying, and preventing pregnancy losses. To the extent that funding from grants is available, the director shall do the following:

(1) Establish a population-based pregnancy loss registry to monitor the incidence of various types of pregnancy losses that occur in this state, make appropriate epidemiological studies to determine any causal relations of the pregnancy losses with occupational, nutritional, environmental, genetic, or infectious conditions, and determine what can be done to prevent such losses;

(2) Advise, consult, cooperate with, and assist, by contract or otherwise, agencies of the state and federal government, agencies of governments of other states, agencies of political subdivisions of this state, universities, private organizations, corporations, and associations for the purpose of division (A)(1) of this section.

(B) The director may adopt rules pursuant to Chapter 119. of the Revised Code to specify the reporting requirements for physicians, certified nurse-midwives, clinical nurse specialists, or certified nurse practitioners as necessary to accomplish the purposes of this section.

(C) As used in this section, "pregnancy loss" means a termination of pregnancy within the first twenty weeks of pregnancy either spontaneously or by means other than the purposeful termination of a pregnancy as described in section 2919.11 of the Revised Code.
