

## Ohio Revised Code

Section 3701.10 District health commissioner may be required to attend school of instruction.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

---

The director of health may require any district health commissioner to attend, immediately after his appointment, a school of instruction to be conducted by the department of health at Columbus. The course at such school of instruction shall not exceed four weeks in duration, and the necessary expenses of the commissioner in attending such school shall be paid by the district board of health upon certification from the director that such officer has attended the school.
