

Ohio Revised Code

Section 3701.31 Administration of blood bank.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

In formulating and administering the blood bank program, the department of health may establish necessary standards, promulgate necessary rules and regulations, utilize the facilities and services of other official agencies and of voluntary organizations which may be made available to the department, and co-operate, if requested, with agencies and organizations engaged in a similar program on a local or state basis.
