

## Ohio Revised Code

### Section 3701.47 Standard tests for syphilis and gonorrhea.

Effective: December 19, 1973

Legislation: Senate Bill 209 - 110th General Assembly

---

As used in sections 3701.46 to 3701.50 of the Revised Code, the standard tests for syphilis and gonorrhea are tests approved by the department of health, and shall be made at a laboratory approved to make such tests by the department. Such tests as are required shall, on request of the physician submitting the specimens, be made without charge by the department.
