

Ohio Revised Code

Section 3701.671 Reporting regarding safe crib procurement.

Effective: April 6, 2017

Legislation: Senate Bill 332 - 131st General Assembly

The director of health shall require each recipient of a grant the department of health administers that pertains to safe crib procurement to report annually to the department both of the following:

(A) Demographic information specified by the director of health regarding the individuals to whom safe cribs were distributed;

(B) If known, the extent to which distributed cribs are being used.
