

Ohio Revised Code

Section 3701.71 Minimum standards for voluntary and governmental hospitals.

Effective: September 16, 1957

Legislation: House Bill 322 - 102nd General Assembly

To comply with the Social Security Act Amendments of 1950, known as Public Law 734-81st Congress, the Ohio department of health is hereby designated as the state authority responsible for establishing and maintaining minimum standards for voluntary and governmental hospitals and in units providing medical and nursing care in city and county institutions.
