

Ohio Revised Code

Section 3701.90 Development of curricula on efficacy-based contraceptives.

Effective: April 6, 2017

Legislation: Senate Bill 332 - 131st General Assembly

The director of health, with participation from the state medical board and board of nursing, shall collaborate with medical, nursing, and physician assistant schools or programs in this state, as well as medical residency and fellowship programs in this state, to develop and implement appropriate curricula in those schools and programs designed to prepare primary care and women's health care physicians, advanced practice registered nurses, and physician assistants to provide patient counseling on efficacy-based contraceptives, including long-acting reversible contraceptives.
