

## Ohio Revised Code

### Section 3702.18 [Repealed effective 9/30/2024 by H.B. 110, 134th General Assembly] Disclosing identifying quality-of-care data.

Effective: November 13, 2006

Legislation: House Bill 197 - 126th General Assembly

---

The director of health and any employee or contractor of the department of health shall not make public any quality-of-care data reported to the department pursuant to rules adopted under section 3702.11 of the Revised Code, as that section existed immediately prior to the effective date of this amendment, or any record copied under section 3702.19 of the Revised Code, that identifies or would tend to identify specific patients.

The director and any employee or contractor of the department shall not make public any data reported to the department pursuant to rules adopted under section 3702.11 of the Revised Code, as that section existed immediately prior to the effective date of this amendment, that require reports on specific adverse events, bodily injuries, or complaints.
