

Ohio Revised Code

Section 3704.031 Director may require applicant to install equipment and conduct tests.

Effective: December 19, 1980

Legislation: Senate Bill 258 - 113th General Assembly

Prior to issuance or renewal of a permit or a variance under division (F), (G), or (H) of section 3704.03 of the Revised Code, the director of environmental protection may require the applicant to install such equipment and conduct such tests and analyses as the director finds reasonable and necessary to determine adequately the amount and content of any emissions from such sources, the ambient air quality at the proposed site and in areas that may be affected by emissions from such sources, and any violation or potential violation of Chapter 3704. of the Revised Code, or the regulations or orders promulgated thereunder.
