

## Ohio Revised Code

### Section 3704.141 Emission standards for buses.

Effective: September 27, 1993

Legislation: Senate Bill 18 - 120th General Assembly

---

(A) Each motor bus, as defined in section 4501.01 of the Revised Code, that is owned or operated by a transit system, authority, or commission organized under Chapter 306. or 747. of the Revised Code or under a municipal or county charter or ordinance and within a county that is subject to section 3704.14 of the Revised Code shall meet emission standards for hydrocarbons, carbon monoxide, and, in the case of diesel fueled motor buses, particulate opacity established by the director of environmental protection under rules adopted under division (B) of this section.

(B) In accordance with Chapter 119. of the Revised Code, the director shall adopt, and may amend and rescind, rules necessary for the implementation, administration, operation, and enforcement of this section.
