

Ohio Revised Code

Section 3706.28 Advanced energy project determinations conclusive.

Effective: September 11, 2008

Legislation: House Bill 554 - 127th General Assembly

(A) Determinations made by the executive director of the Ohio air quality development authority, with the affirmative vote of a majority of the members of the authority, that a particular project is an advanced energy project and is consistent with Chapter 166. of the Revised Code and Section 2p or 13 of Article VIII, Ohio Constitution, shall be conclusive as to the validity and enforceability of the obligations issued to finance such a project and of the authorizations, trust agreements or indentures, loan agreements, or grant agreements, and other agreements made in connection therewith, all in accordance with their terms.

(B) Advanced energy facilities for industry, commerce, distribution, or research are hereby deemed to qualify as facilities for the control of air pollution and thermal pollution related to air under Section 2p or 13 of Article VIII, Ohio Constitution.
