

Ohio Revised Code

Section 3706.45 Report to Ohio air quality development authority; issuance of credit.

Effective: June 30, 2021

Legislation: House Bill 128

(A) An owner or operator of a qualifying solar resource whose application was approved under section 3706.43 of the Revised Code shall report to the Ohio air quality development authority, not later than seven days after the close of each quarter, the number of megawatt hours the resource produced, if any, in the previous quarter. The first report shall be made not later than April 7, 2020, and the last report shall be made not later than January 7, 2027. The information reported shall be in accordance with data from the generation attribute tracking designated by the authority.

(B) The authority shall issue one solar energy credit to a qualifying solar resource for each megawatt hour of electricity that is both reported under division (A) of this section and approved by the authority.

(C) The price for a solar energy credit paid under section 3706.55 of the Revised Code shall be nine dollars.
