

## Ohio Revised Code

### Section 3706.551 Rereview of solar energy credit applications.

Effective: June 30, 2021

Legislation: House Bill 128 - 134th General Assembly

---

(A) Notwithstanding the solar energy credit application deadlines for qualifying solar resources under sections 3706.41 and 3706.43 of the Revised Code, the Ohio air quality development authority shall rereview and approve an application from a qualifying solar resource if the resource submitted the application before March 1, 2020.

(B) The deadlines for the quarterly reports required under section 3706.45 of the Revised Code that have passed before the effective date of this section do not apply to a qualifying solar resource whose application for solar energy credits is approved under division (A) of this section.
