

## Ohio Revised Code

### Section 3711.10 Monitor of compliance with chapter - inspections.

Effective: September 30, 2024

Legislation: House Bill 110

---

The director of health shall monitor compliance with this chapter and the rules adopted under it. The director may conduct inspections of a maternity home as necessary to adequately monitor compliance with this chapter and the rules adopted under it. The inspections may be scheduled or random.

The board of health of the city or general health district in which a maternity home is located may conduct inspections of the home as necessary to adequately monitor compliance with any applicable health regulation adopted by the board. The inspections may be scheduled or random.
