

Ohio Revised Code

Section 3714.05 Program to provide for inspection, licensing, and enforcement of standards governing facilities.

Effective: December 22, 2005

Legislation: House Bill 397 - 126th General Assembly

The board of health of each health district maintaining a program on the approved list under section 3714.09 of the Revised Code shall provide for the issuance of permits to install for and the inspection of, licensing of, and enforcement of standards governing construction and demolition debris facilities under this chapter and rules adopted under it. The director of environmental protection shall provide for the issuance of permits to install for construction and demolition debris facilities, the inspection and licensing of facilities, and the enforcement of standards in health districts that are not on the approved list under that section and may provide for the inspection of the facilities and enforcement of standards in health districts that are on the approved list under that section. Further, the director may provide for the issuance of permits to install in a health district on the approved list if so requested by the applicable board of health under section 3714.051 of the Revised Code.
