

Ohio Revised Code

Section 3714.053 Public hearing on application for permit to install new facility.

Effective: December 22, 2005

Legislation: House Bill 397 - 126th General Assembly

Not later than sixty days after the director of environmental protection or a board of health, as applicable, receives an application for a permit to install a new construction and demolition debris facility, the applicant shall hold a public hearing in the township or municipal corporation in which the facility or proposed facility is or is to be located. At least thirty days prior to the public hearing, the applicant shall provide notice of the time, day, and location of the public hearing in a newspaper of general circulation in the locality of the facility or proposed facility and shall mail a copy of the notice to the director or the board of health, whichever is applicable. Further, at least thirty days prior to the public hearing, the applicant shall provide notification of the public hearing by certified mail to the owner of each parcel of real property that is adjacent to the facility or proposed facility.
