

Ohio Revised Code Section 3717.45 Fees.

Effective: September 10, 2012

Legislation: House Bill 487 - 129th General Assembly

(A) A licensor may charge fees for issuing and renewing food service operation licenses. Any licensing fee charged shall be used solely for the administration and enforcement of the provisions of this chapter and the rules adopted under it applicable to food service operations.

Any licensing fee charged under this section shall be based on the licensor's costs of regulating food service operations, as determined according to the uniform methodologies established under section 3717.07 of the Revised Code. If the licensor is a board of health, a fee may be disapproved by the district advisory council in the case of a general health district or the legislative authority of the city in the case of a city health district. A disapproved fee shall not be charged by the board of health.

Except when a licensing fee is established as an emergency measure, the licensor shall hold a public hearing regarding the proposed fee. At least twenty days prior to holding a public hearing, the licensor shall give written notice of the hearing to each person or government entity holding a food service operation license that may be affected by the proposed fee. The notice shall be mailed to the last known address of the licensee and shall specify the date, time, and place of the hearing and the amount of the proposed fee. On request, the licensor shall provide the completed uniform methodology used in the calculation of the licensor's costs and the proposed fee.

(B) In addition to licensing fees, a licensor may charge fees for the following:

- (1) Review of facility layout and equipment specifications pertaining to food service operations, other than mobile and temporary food service operations, or similar reviews conducted for vending machine locations;
- (2) Any necessary collection and bacteriological examination of samples from food service operations, or similar services specified in rules adopted under this chapter by the director of health;
- (3) Attendance at a course of study offered by the licensor in food protection as it pertains to food

service operations, if the course is approved under section 3717.09 of the Revised Code.

(C)(1) The director may determine by rule an amount to be collected from applicants for food service operation licenses for use in administering and enforcing the provisions of this chapter and the rules adopted under it applicable to food service operations. Licensors shall collect the amount prior to issuing an applicant's new or renewed license. If a licensing fee is charged under this section, the licensor shall collect the amount at the same time the fee is collected. Licensors are not required to provide notice or hold public hearings regarding amounts to be collected.

(2) A licensor shall certify the amount collected under division (C)(1) of this section and transmit the amount to the treasurer of state according to the following schedule:

(a) For amounts received by the licensor on or after the first day of January but not later than the thirty-first day of March, transmit the amounts not later than the fifteenth day of May;

(b) For amounts received by the licensor on or after the first day of April but not later than the thirtieth day of June, transmit the amounts not later than the fifteenth day of August;

(c) For amounts received by the licensor on or after the first day of July but not later than the thirtieth day of September, transmit the amounts not later than the fifteenth day of November;

(d) For amounts received by the licensor on or after the first day of October but not later than the thirty-first day of December, transmit the amounts not later than the fifteenth day of February of the following year.

(3) All amounts received under division (C)(2) of this section shall be deposited into the general operations fund created in section 3701.83 of the Revised Code. The director shall use the amounts solely for the administration and enforcement of the provisions of this chapter and the rules adopted under it applicable to food service operations.
