

## Ohio Revised Code

### Section 3729.06 Annual survey of health district for compliance.

Effective: October 13, 2004

Legislation: House Bill 368 - 125th General Assembly

---

(A) The director of health may survey annually each health district that is licensing recreational vehicle parks, recreation camps, combined park-camps, or temporary park-camps as provided in section 3729.05 of the Revised Code to determine whether the district is in substantial compliance with this chapter and rules adopted under it. Upon determination that there is substantial compliance, the director shall place the health district on an approved list. The director shall make a resurvey when in the director's opinion a resurvey is necessary and shall remove from the approved list any health district not substantially complying with this chapter and rules adopted under it.

(B) If, after a survey or resurvey is made as provided in this section, the director determines that a health district is not eligible to be placed on the approved list or to continue on the list, the director shall certify that fact to the board of health of the health district. The director shall administer and enforce this chapter and rules adopted under it in the health district until the director determines that the health district is eligible for placement on the approved list. Until the district is placed on or returned to the approved list, the director shall collect all fees payable to a board of health under section 3729.07 of the Revised Code and all such fees previously paid that have not been expended or encumbered for deposit in the state treasury to the credit of the campground licensing fund, which is hereby created for use by the director in the director's capacity as licensor. The director shall repay any balance remaining in the account to the district when the director places the district on the approved list.
