

Ohio Revised Code

Section 3750.081 Compliance with filing requirements; access to database.

Effective: September 29, 2015

Legislation: House Bill 64 - 131st General Assembly

(A) Notwithstanding any provision in this chapter to the contrary, an owner or operator of a facility that is regulated under Chapter 1509. of the Revised Code shall be deemed to have satisfied all of the inventory requirements established under this chapter, except for the release reporting requirements established under section 3750.06 of the Revised Code, by complying with the requirements established in section 1509.231 of the Revised Code.

(B) The emergency response commission and every local emergency planning committee and fire department in this state shall establish a means by which to access, view, and retrieve information from the electronic database maintained by the division of oil and gas resources management in the department of natural resources in accordance with section 1509.231 of the Revised Code. With respect to facilities regulated under Chapter 1509. of the Revised Code, the database shall be the means of providing and receiving the information described in division (A) of this section.
