

Ohio Revised Code

Section 3781.05 Plumbing standards for veterans' emergency housing.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

The installation and use of federal facilities, which are a reconstruction of, or relocation of, an existing facility and not a new facility, for veterans' emergency housing shall be permitted so long as the use of such facilities is limited to veterans' emergency housing and confined to such plumbing supplies and equipment as are a part of the federal structures so used and the mainenance, repair, and replacements of such parts.
