

Ohio Revised Code

Section 3796.21 Rights of current laboratory license holders.

Effective: March 20, 2026

Legislation: Senate Bill 56

(A) Notwithstanding any conflicting provision of the Revised Code, a licensed laboratory, including the holder of a current, valid laboratory license issued under this chapter before the effective date of this amendment, shall do both of the following:

(1) Obtain medical marijuana and adult-use marijuana from one or more licensed cultivators, licensed processors, and licensed dispensaries;

(2) Conduct testing in the manner specified in rules adopted under section 3796.03 of the Revised Code.

(B) When testing medical marijuana or adult-use marijuana, a licensed laboratory shall do both of the following:

(1) Test for potency, homogeneity, and contamination;

(2) Prepare a report of the test results.
