

## Ohio Revised Code

### Section 3941.44 Filing copy of agreement.

Effective: November 21, 1969

Legislation: Senate Bill 433 - 108th General Assembly

---

On or before the effective date of the merger or consolidation, the superintendent shall file with the secretary of state one of the copies of the agreement on file with him, with the notice of effective date. Within fifteen days after the effective date of the merger or consolidation, a copy of the agreement certified by the superintendent shall be filed by the resulting or surviving company in any public office where the articles of incorporation are required to be recorded. Copies of the agreement shall also be filed for record in the office of the appropriate county official in each county where any of the constituent companies owns real property the title to which will be transferred by the merger or consolidation.
