

Ohio Revised Code

Section 3957.14

Effective: June 30, 2026

Legislation: House Bill 229

(A) All information and data acquired by the superintendent of insurance or the department of insurance under this chapter is considered proprietary and confidential under section 3905.24 of the Revised Code and is not a public record under section 149.43 of the Revised Code.

(B) On and after July 1, 2027, no pharmacy benefit manager or representative of a pharmacy benefit manager shall cause or knowingly permit the use of any advertisement, promotion, solicitation, representation, proposal, or offer that is untrue, deceptive, or misleading.
