

Ohio Revised Code

Section 4105.02 Certificate of competency in elevator inspection.

Effective: September 10, 2012

Legislation: House Bill 487 - 129th General Assembly

No person may act, either as a general inspector or as a special inspector, of elevators, unless the person holds a certificate of competency from the division of industrial compliance.

Application for examination as an inspector of elevators shall be in writing, accompanied by a fee to be established as provided in section 4105.17 of the Revised Code, and upon a blank to be furnished by the division, stating the school education of the applicant, a list of the applicant's employers, the applicant's period of employment, and the position held with each. An applicant shall also submit a letter from one or more of the applicant's previous employers certifying as to the applicant's character and experience.

Applications shall be rejected which contain any willful falsification or untruthful statements. An applicant, if the division considers the applicant's history and experience sufficient, shall be examined by the superintendent of industrial compliance by a written examination dealing with the construction, installation, operation, maintenance, and repair of elevators and their appurtenances, and the applicant shall be accepted or rejected on the merits of the applicant's application and examination.

The superintendent shall issue a certificate of competency in the inspection of elevators to any applicant found competent upon examination. A rejected applicant shall be entitled, after the expiration of ninety days and upon payment of an examination fee to be established as provided in section 4105.17 of the Revised Code, to another examination. Should an applicant fail to pass the prescribed examination on second trial, the applicant will not be permitted to be an applicant for another examination for a period of one year after the second examination.
