

Ohio Revised Code

Section 4171.06 Rink operator - duties.

Effective: April 1, 1993

Legislation: Senate Bill 347 - 119th General Assembly

Each operator shall:

- (A) Post the responsibilities of roller skaters and spectators and the duties and liabilities of the operator as prescribed in this chapter, in conspicuous places in at least three locations in the roller skating rink;
 - (B) Maintain the stability and legibility of all signs, symbols, and posted notices required by this chapter;
 - (C) Maintain the skating surface in a reasonably safe and clean condition and inspect the skating surface before each session;
 - (D) Maintain the railings, kickboard risers, and walls surrounding the skating surface in good condition;
 - (E) Install fire extinguishers and inspect fire extinguishers at recommended intervals;
 - (F) Inspect emergency lighting units periodically to ensure the lights are in proper order;
 - (G) Keep exit lights and service area lights on when skating surface lights are turned off during special numbers;
 - (H) Check rental skates on a regular basis to ensure the skates are in good mechanical condition;
 - (I) Comply with all applicable state and local safety codes.
-
