

Ohio Revised Code

Section 4301.23 Sales of sacramental wine for religious rites.

Effective: July 1, 1997

Legislation: Senate Bill 162 - 121st General Assembly

All sales of sacramental wine for religious rites shall be made only upon the written, signed, dated, and sworn application of the member of the clergy or official purchasing the same. Such application must have endorsed thereon the approval of the general administrative officer, if there is such an officer, of the religious group to which the purchasing member of the clergy or official belongs. The name, address, and official position of such administrative officer shall be certified to the division of liquor control in such manner as the liquor control commission by rule prescribes.
