Each payment shall be accompanied by a statement showing separately the amount collected for each class of permits in each municipal corporation and in each township outside the limits of any municipal corporation in such township.

(B)(1) An amount equal to forty-five per cent of the fund shall be paid from the fund into the state liquor regulatory fund, which is hereby created in the state treasury. The state liquor regulatory fund shall be used to pay the operating expenses of the division of liquor control in administering and enforcing Title XLIII of the Revised Code and the operating expenses of the liquor control commission. Investment earnings of the fund shall be credited to the fund.

(2) Whenever, in the judgment of the director of budget and management, the amount of money that is in the state liquor regulatory fund is in excess of the amount that is needed to pay the operating expenses of the division in administering and enforcing Title XLIII of the Revised Code and the operating expenses of the commission, the director shall credit the excess amount to the general revenue fund.

(C) Twenty per cent of the undivided liquor permit fund shall be paid into the statewide treatment and prevention fund, which is hereby created in the state treasury. This amount shall be appropriated by the general assembly, together with an amount equal to one and one-half per cent of the gross profit of the division of liquor control derived under division (B)(4) of section 4301.10 of the Revised Code, to the department of mental health and addiction services. In planning for the allocation of and in allocating these amounts for the purposes of Chapter 5119. of the Revised Code, the department shall comply with the nondiscrimination provisions of Title VI of the Civil Rights Act of 1964, and any rules adopted under that act.

(D) Thirty-five per cent of the undivided liquor permit fund shall be distributed by the superintendent

of liquor control at quarterly calendar periods as follows:

(1) To each municipal corporation, the aggregate amount shown by the statements to have been collected from permits in the municipal corporation, for the use of the general fund of the municipal corporation;

(2) To each township, the aggregate amount shown by the statements to have been collected from permits in its territory, outside the limits of any municipal corporation located in the township, for the use of the general fund of the township, or for fire protection purposes, including buildings and equipment in the township or in an established fire district within the township, to the extent that the funds are derived from liquor permits within the territory comprising such fire district.

(E) For the purpose of the distribution required by this section, E, H, and D permits covering boats or vessels are deemed to have been issued in the municipal corporation or township wherein the owner or operator of the vehicle, boat, vessel, or dining car equipment to which the permit relates has the owner's or operator's principal office or place of business within the state.

(F) If the liquor control commission determines that the police or other officers of any municipal corporation or township entitled to share in distributions under this section are refusing or culpably neglecting to enforce this chapter and Chapter 4303. of the Revised Code, or the penal laws of this state relating to the manufacture, importation, transportation, distribution, and sale of beer and intoxicating liquors, or if the prosecuting officer of a municipal corporation or a municipal court fails to comply with the request of the commission authorized by division (A)(4) of section 4301.10 of the Revised Code, the commission, by certified mail, may notify the chief executive officer of the municipal corporation or the board of township trustees of the township of the failure and require the immediate cooperation of the responsible officers of the municipal corporation or township with the division of liquor control in the enforcement of those chapters and penal laws. Within thirty days after the notice is served, the commission shall determine whether the requirement has been complied with. If the commission determines that the requirement has not been complied with, it may issue an order to the superintendent to withhold the distributive share of the municipal corporation or township until further order of the commission. This action of the commission is reviewable within thirty days thereafter in the court of common pleas of Franklin county.

(G) All fees collected by the division of liquor control from the issuance or renewal of B-2a, S-1, and S-2 permits, and paid by B-2a, S-1, and S-2 permit holders who do not also hold A-1 or A-1c permits or A-2 or A-2f permits, shall be deposited in the state treasury to the credit of the state liquor regulatory fund. Once during each fiscal year, an amount equal to fifty per cent of the fees collected shall be paid from the state liquor regulatory fund into the general revenue fund.
