

Ohio Revised Code

Section 4503.84 Purchase of expired validation stickers and plates no longer issued or in service.

Effective: October 21, 1997

Legislation: Senate Bill 60 - 122nd General Assembly

The registrar of motor vehicles may prescribe rules to make license plates and validation stickers available for purchase in the year following the expiration of the validation sticker or when the license plate design no longer is issued or in service. The price of each license plate shall be five dollars; the price of each validation sticker shall be two dollars.
