

Ohio Revised Code

Section 4507.08 Restrictions on issuance of license or temporary instruction permit.

Effective: April 4, 2007

Legislation: House Bill 461 - 126th General Assembly

(A) No probationary license shall be issued to any person under the age of eighteen who has been adjudicated an unruly or delinquent child or a juvenile traffic offender for having committed any act that if committed by an adult would be a drug abuse offense, as defined in section 2925.01 of the Revised Code, a violation of division (B) of section 2917.11, or a violation of division (A) of section 4511.19 of the Revised Code, unless the person has been required by the court to attend a drug abuse or alcohol abuse education, intervention, or treatment program specified by the court and has satisfactorily completed the program.

(B) No temporary instruction permit or driver's license shall be issued to any person whose license has been suspended, during the period for which the license was suspended, nor to any person whose license has been canceled, under Chapter 4510. or any other provision of the Revised Code.

(C) No temporary instruction permit or driver's license shall be issued to any person whose commercial driver's license is suspended under Chapter 4510. or any other provision of the Revised Code during the period of the suspension.

No temporary instruction permit or driver's license shall be issued to any person when issuance is prohibited by division (A) of section 4507.091 of the Revised Code.

(D) No temporary instruction permit or driver's license shall be issued to, or retained by, any of the following persons:

(1) Any person who is an alcoholic, or is addicted to the use of controlled substances to the extent that the use constitutes an impairment to the person's ability to operate a motor vehicle with the required degree of safety;

(2) Any person who is under the age of eighteen and has been adjudicated an unruly or delinquent

child or a juvenile traffic offender for having committed any act that if committed by an adult would be a drug abuse offense, as defined in section 2925.01 of the Revised Code, a violation of division (B) of section 2917.11, or a violation of division (A) of section 4511.19 of the Revised Code, unless the person has been required by the court to attend a drug abuse or alcohol abuse education, intervention, or treatment program specified by the court and has satisfactorily completed the program;

(3) Any person who, in the opinion of the registrar, is afflicted with or suffering from a physical or mental disability or disease that prevents the person from exercising reasonable and ordinary control over a motor vehicle while operating the vehicle upon the highways, except that a restricted license effective for six months may be issued to any person otherwise qualified who is or has been subject to any condition resulting in episodic impairment of consciousness or loss of muscular control and whose condition, in the opinion of the registrar, is dormant or is sufficiently under medical control that the person is capable of exercising reasonable and ordinary control over a motor vehicle. A restricted license effective for six months shall be issued to any person who otherwise is qualified and who is subject to any condition that causes episodic impairment of consciousness or a loss of muscular control if the person presents a statement from a licensed physician that the person's condition is under effective medical control and the period of time for which the control has been continuously maintained, unless, thereafter, a medical examination is ordered and, pursuant thereto, cause for denial is found.

A person to whom a six-month restricted license has been issued shall give notice of the person's medical condition to the registrar on forms provided by the registrar and signed by the licensee's physician. The notice shall be sent to the registrar six months after the issuance of the license. Subsequent restricted licenses issued to the same individual shall be effective for six months.

(4) Any person who is unable to understand highway warnings or traffic signs or directions given in the English language;

(5) Any person making an application whose driver's license or driving privileges are under cancellation, revocation, or suspension in the jurisdiction where issued or any other jurisdiction, until the expiration of one year after the license was canceled or revoked or until the period of suspension ends. Any person whose application is denied under this division may file a petition in the municipal

court or county court in whose jurisdiction the person resides agreeing to pay the cost of the proceedings and alleging that the conduct involved in the offense that resulted in suspension, cancellation, or revocation in the foreign jurisdiction would not have resulted in a suspension, cancellation, or revocation had the offense occurred in this state. If the petition is granted, the petitioner shall notify the registrar by a certified copy of the court's findings and a license shall not be denied under this division.

(6) Any person who is under a class one or two suspension imposed for a violation of section 2903.01, 2903.02, 2903.04, 2903.06, 2903.08, 2903.11, 2921.331, or 2923.02 of the Revised Code or whose driver's or commercial driver's license or permit was permanently revoked prior to January 1, 2004, for a substantially equivalent violation pursuant to section 4507.16 of the Revised Code;

(7) Any person who is not a resident or temporary resident of this state.

(E) No person whose driver's license or permit has been suspended under Chapter 4510. of the Revised Code or any other provision of the Revised Code shall have driving privileges reinstated if the registrar determines that a warrant has been issued in this state or any other state for the person's arrest and that warrant is an active warrant.
