

## Ohio Revised Code

### Section 4510.52 Registrar may destroy suspended or canceled license or permit.

Effective: January 1, 2004

Legislation: Senate Bill 123 - 124th General Assembly

---

(A) Upon the receipt of any driver's license or commercial driver's license or permit that has been suspended or canceled under any provision of law, and notwithstanding any other provision of law that requires the registrar of motor vehicles to retain the license or permit, the registrar may destroy the license or permit.

(B) If, as authorized by division (A) of this section, the registrar destroys a license or permit that has been suspended or canceled, the registrar shall reissue or authorize the reissuance of a new license or permit to the person to whom the destroyed license or permit originally was issued upon payment of a fee in the same amount as the fee specified in division (C) of section 4507.23 of the Revised Code for a duplicate license or permit and upon payment of a service fee in the same amount as specified in division (D) of section 4503.10 of the Revised Code if issued by a deputy registrar or in division (G) of that section if issued by the registrar.

This division applies only if the driver's license or commercial driver's license or permit that was destroyed would have been valid at the time the person applies for the duplicate license or permit. A duplicate driver's license or commercial driver's license or permit issued under this section shall bear the same expiration date that appeared on the license or permit it replaces.
