

Ohio Revised Code

Section 4511.09 Manual for uniform system of traffic control devices.

Effective: June 30, 2025

Legislation: House Bill 54

The department of transportation shall adopt a manual for a uniform system of traffic control devices, including signs denoting names of streets and highways, for use upon any street, highway, bikeway, or site roadway open to public travel within this state. Such uniform system shall correlate with, and so far as possible conform to, the system approved by the federal highway administration.
