

Ohio Revised Code

Section 4513.111 Requirements for lights and reflectors for multi-wheel agricultural tractors and farm machinery units.

Effective: October 16, 2009

Legislation: House Bill 1 - 128th General Assembly

(A)(1) Every multi-wheel agricultural tractor whose model year was 2001 or earlier, when being operated or traveling on a street or highway at the times specified in section 4513.03 of the Revised Code, at a minimum shall be equipped with and display reflectors and illuminated amber lamps so that the extreme left and right projections of the tractor are indicated by flashing lamps displaying amber light, visible to the front and the rear, by amber reflectors, all visible to the front, and by red reflectors, all visible to the rear.

(2) The lamps displaying amber light need not flash simultaneously and need not flash in conjunction with any directional signals of the tractor.

(3) The lamps and reflectors required by division (A)(1) of this section and their placement shall meet standards and specifications contained in rules adopted by the director of public safety in accordance with Chapter 119. of the Revised Code. The rules governing the amber lamps, amber reflectors, and red reflectors and their placement shall correlate with and, as far as possible, conform with paragraphs 4.1.4.1, 4.1.7.1, and 4.1.7.2 respectively of the American society of agricultural engineers standard ANSI/ASAE S279.10 OCT98, lighting and marking of agricultural equipment on highways.

(B) Every unit of farm machinery whose model year was 2002 or later, when being operated or traveling on a street or highway at the times specified in section 4513.03 of the Revised Code, shall be equipped with and display markings and illuminated lamps that meet or exceed the lighting, illumination, and marking standards and specifications that are applicable to that type of farm machinery for the unit's model year specified in the American society of agricultural engineers standard ANSI/ASAE S279.11 APR01, lighting and marking of agricultural equipment on highways, or any subsequent revisions of that standard.

(C) The lights and reflectors required by division (A) of this section are in addition to the slow-

moving vehicle emblem and lights required or permitted by section 4513.11 or 4513.17 of the Revised Code to be displayed on farm machinery being operated or traveling on a street or highway.

(D) No person shall operate any unit of farm machinery on a street or highway or cause any unit of farm machinery to travel on a street or highway in violation of division (A) or (B) of this section.

(E) Whoever violates this section is guilty of a minor misdemeanor.
