### Section 4561.01 Aeronautics definitions.

Effective: July 1, 2013

Legislation: House Bill 51 - 130th General Assembly

---

As used in sections 4561.01 to 4561.25 of the Revised Code:

- (A) "Aviation" means transportation by aircraft; operation of aircraft; the establishment, operation, maintenance, repair, and improvement of airports, landing fields, and other air navigation facilities; and all other activities connected therewith or incidental thereto.
- (B) "Aircraft" means any contrivance used or designed for navigation or flight in the air, excepting a parachute or other contrivance for such navigation used primarily as safety equipment.
- (C) "Airport" means any location either on land or water which is used for the landing and taking off of aircraft.
- (D) "Landing field" means any location either on land or water of such size and nature as to permit the landing or taking off of aircraft with safety, and used for that purpose but not equipped to provide for the shelter, supply, or care of aircraft.
- (E) "Air navigation facility" means any facility used, available for use, or designed for use in aid of navigation of aircraft, including airports, landing fields, facilities for the servicing of aircraft or for the comfort and accommodation of air travelers, and any structures, mechanisms, lights, beacons, marks, communicating systems, or other instrumentalities or devices used or useful as an aid to the safe taking off, navigation, and landing of aircraft, or to the safe and efficient operation or maintenance of an airport or landing field, and any combination of such facilities.
- (F) "Air navigation hazard" means any structure, object of natural growth, or use of land, that obstructs the air space required for the flight of aircraft in landing or taking off at any airport or landing field, or that otherwise is hazardous to such landing or taking off.
- (G) "Air navigation," "navigation of aircraft," or "navigate aircraft" means the operation of aircraft

in the air space over this state.

(H) "Airperson" means any individual who, as the person in command, or as pilot, mechanic, or member of the crew, engages in the navigation of aircraft.

(I) "Airway" means a route in the air space over and above the lands or waters of this state, designated by the Ohio aviation board as a route suitable for the navigation of aircraft.

(J) "Person" means any individual, firm, partnership, corporation, company, association, joint stock association, or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

(K) "Government agency" means a state agency, state institution of higher education, regional port authority, or any other political subdivision of the state, or the federal government or other states.
