

Ohio Revised Code

Section 4561.13 Enforcement of laws - investigation of accidents.

Effective: June 29, 2001

Legislation: House Bill 73 - 124th General Assembly

Every state, county, and municipal law enforcement officer charged with the enforcement of state or municipal laws may investigate aircraft accidents and enforce sections 4561.14, 4561.15, and 4561.24 of the Revised Code.

The state highway patrol may use any of its personnel and equipment to investigate all aircraft accidents within this state.
